AND WE JUST READ YOURS

Ashlynn Brooke

I'm writing this letter because my husband and I are avid readers of your fabulous magazine. As a woman, I was hesitant about reading Club MILF until one day when he inadvertently left the issue with Ashlynn Brooke on the cover in the bathroom. I had not seen her before and she's a stunner. I have to admit that I am in love with the women in your photos. They seem to have a confidence about them. Or at least the camera captures them that way. They get me hot and by the time I finish looking them I have to masturbate right away. So I sat on the toilet with no underwear on and slid my hand down there. I had the magazine on my lap and found myself coming after only a few minutes. My husband doesn't get me off that fast. Darn, I hear him at the door. So keep up the great work, and please don't change a thing.

– Natalia, Washington D.C.

Cody Love and Tiffany Thompson

I've been a loyal reader for many years and am finally getting around to writing you a letter about your magazine. I've seen it go through changes over the years, but one thing has remained the same. The great looking ladies you put in it every month. I especially like the girl-on-girl couplings. It's nice to see attractive people doing things most of us only can dream about. To that end, I just want to comment about those two super sexy felines, Cody [Love] and Tiffany [Thompson]. I love exotic women and those two were the cat's meow. The long hair, the long fingernails, the long tongues, that all made me crazy hot. Over the years, I've stroked off many a time to each issue, but this one has to be right up there with my highest numbers. If you could find it in your heart, and in your library, can you print just one more picture of them. It doesn't have to be a sex shot, just something for when I'm looking at the next issue and thinking of them.

– Eddie, Spokane

from a woman's Perspective

Fortunately there were a couple seats at the bar but there were three of us.

I decided I would stand because I was on the prowl. We ordered some drinks and within minutes I spotted someone to test out.

I'm a forty-two year old divorced woman who had been married for more than twenty years. I split from my husband because – ready for this –

I wasn't getting enough sex from him. That's what was said on the outside, but the real truth is that his dick was way too small and I wanted more out of a cock. Yes, I got pregnant and popped out a couple kids. But as time went on, I began to fantasize about bigger and bigger cocks. I would occasionally watch porn with a girlfriend on her cable TV and envied the women that were getting schtupped by those huge cocks.

In my fantasies, I would be in command and control these huge cocks. I would lick them and suck on them. There were never any faces involved, only big anonymous cocks. Kinda like a porn movie where you only see a woman's face sucking and never the man's. Well, one night I decided to do something about it. I'd go

suck anonymous cock. I'd look for the largest one I could find and make my fantasy into reality. I debated whether to go to Los Angeles and

get into the porn biz, but before I did, I wanted to test it out closer to home. Manhattan is large enough for me and many people here are quite sexually adventurous, so why not start here.

It's now Friday night I'm off to a well known 'pick-up' bar with my girlfriends, Tina and Rachel (safety in numbers, ya know). We decided to go to a well known dive in the Tribeca district. Well-known for it's nightlife, Tribeca also has plenty of sexy straight and bi-bars. We walk into one and head for the bar area. Fortunately there were a couple seats at the bar but there were three of us. I decided I would stand because I was on the prowl. We ordered some drinks and within minutes I spotted someone to test out. I stepped up to the far-

the side of the bar and decided I should make the first move on the two guys standing there. They looked like football players (watching their Giants play tonight) that were just past their prime, but still built nice no less. As I was about to walk over to them and offer to buy the next round, the taller of the two walked back to the men's room. This, I thought, might be a better opportunity. After a couple of minutes I walked back to there and slipped into the men's room. It was empty except for him. He had just finished peeing and was shaking the last drops off his dick.

He tucked it in his pants, zipped up and headed for the sink. He saw me and rather unimpressed said the Ladies room was next door. "I know." I said very nervously. "I wasn't looking for the Ladies room." "Oh?" he responded with a touch of sarcasm in his tone. I suddenly realized I held the advantage and blurted out exactly what I wanted to say: "I saw you at the bar and came in here looking for you. I would very much like to suck you off." I couldn't believe I just said it.

"You what?!" he asked surprised. "I want to suck your dick. I want to see how big it is. I want know what it tastes like. You got a problem with that?" "Damn. I got no problem. You want it right here, right now?" he asked.

"Right here, right now. Wash that thing and bring it over here." I headed into a stall, placed the lid top down on the toilet and sat down. I heard him turn the faucet off and walk over to me. In seconds he was standing directly in front of me like an obedient puppy and began to undo his pants. "Wait," I said, "I'll do that." I slowly unzipped him and let his trousers

fall to the floor. I rubbed him through his boxer shorts with my hand. My long fingernails carefully scratched his manhood through his boxers. As he hardened, I saw the head boring its way through the waist band. It struggled for freedom. I carefully peeled back his underwear and drew them down. His big hard cock sprung forwards at me.

And so here it was; fleshy and gorgeous and big, just inches from my face. I finally had a huge cock all to myself. "Wow," I told him, "you have a very beautiful – and big – cock." as my words disappeared like his cock into my mouth. "I want you to fuck my mouth." I couldn't believe I said that, too. "I want you to stuff it all the way down my throat. I want you to fuck my face. Make me gag on it. And when you cum, you can pump it down my throat or blow it in my mouth."

I wasted no time in beginning my fun. I took his cock in

my hand and brought the head to my lips. My tongue first went for the peehole. I licked it several times. It was already slightly lubed with his pre-cum. I took the head between my lips and drew it in, sucking hard. He moaned and braced himself with his arms against the frame of the stall doorway. I carefully lathered his entire cock, licking and tasting all sides. It was delicious. I nibbled along the shaft's tender underside while manipulating it with my hands. I was lifted serenely to big cock heaven as he grew more and more excited.

When he started rocking his hips, I took the hint and opened my mouth for him to fill. He began to poke it further in and I responded by sucking more of its length with each

thrust. His hands grabbed the back of my head and I looked up at him with eyes wide open to affirm my consent. I was committed in jamming that cock all the way down my throat.

With each oncoming thrust, another half inch slipped down. I lustfully accepted a dozen more jabs until that throbbing monster laid claim to my mouth. Clearly now the advantage was his. He was in full blood lust. I would receive a thorough face-fucking whether I wanted it or not. I loved it! Thrust after thrust, this huge cock penetrated the depths of my accommodating throat. I couldn't believe cock sucking could be so much fun.

Having worked up a good steady rhythm, it easily sliding in and out as saliva seeped out in long strands, then dribbled on the floor. I creamed my undies several times while fingering myself. Then he clutched my hair, planted his cock in my throat and held my face hard against his crotch. He bucked with my nose nuzzled in his pubic hair. Not once, not twice, but three times. I was completely plugged and couldn't breathe. I thought he'd shoot his spunk right down my throat but unfortunately I couldn't hold him in any longer and had to push him off gagging and gasping for air. At this point there was no turning back. His eyes told me that he couldn't stop if he wanted to and I so wanted to taste him. Quickly he brought it back to my face and pushed my hands away.

Pumping his cock with his own hand, he aimed it directly at my mouth. I looked him square in the eyes. With his free hand he cupped the back of my head. I licked my lips and opened wide for him. Offering my extended

tongue as an easy target, he put his mushroom head on it and vigorously stroked himself as I held on to his upper thighs. Pre-cum oozed and I got a quick prelude of what was forthcoming. My body nervously twitched.

A huge load of sperm came quickly at me and skipped across the back of my tongue, clinging to the back walls of my throat. I made gagging noises but kept my mouth wide open for his next shot. His second load fell on my outstretched tongue. I slurped it quickly in and opened wide for the third blast. This one hit the roof of my mouth and slowly drizzled down toward my throat. I pushed his hand away and fastened my right hand around his hard on and my lips around the crown of his cockhead. I sucked and licked up the rest of his warm delicious man-offering into my hot willing mouth.

Just kneeling there in front of him with a warm mouthful of his freshly deposited sperm was enough to convince me that I would be wanting more. In the meantime, he looked down at me in disbelief as his cock softened.

"Damn, that was something. I can't believe you swallowed all those loads in your mouth?"

I then kissed him not on his lips but on the tip of his sticky penis, of course. I pulled his underwear up and he carefully repackaged his equipment. He left the men's room first as I took a moment to clean up and check my lipstick. I walked out and back to my girlfriends who were now engaged with a couple studs of their own. I leaned in and kissed Tina so she could smell his cum. She stuck her tongue in my mouth for a taste, looked at me, then grabbed her suitor's hand and led him to the men's room. She looked back at me and winked.

before dessert comes

Jared finally is taking me to the restaurant where we first went on a date. It's a famous place in Seattle with not-too-tacky red flocked walls and deep red tablecloths. The garlic knots are to die for so we ordered them as an appetizer when the waiter took our order. We were in a large booth, probably for four to six but it was available and we asked for it. We adjusted the tablecloth so it just touched the floor on the side that faced the dimly lit room. Seated side by side, I slowly pulled up my long, spaghetti-strapped,

low cut black dress up my legs, exposing my thighs. I grabbed Jared's hand and placed it over my clean shaven mound. His fingers swirled around, teasing me before touching my naked pussy.

Then he wiggled his two middle fingers between my labia and fondled my clit. I contented myself with a blissful sigh. Under the table, I opened my thighs wider apart and hooked one leg over his closest thigh, my pussy spread wide. His forefinger moved toward a new objective and slowly plunged inside my warm, wet hole.

He pushed one more finger inside me, and in another moment his middle finger furrowed to join his forefinger inside me. I let out a soft sigh, and almost slid off my chair into a heap on the floor. His hand moved at my pussy underneath the table cloth, pumped in and out, his thumb pressing on my throbbing clit. I pushed my hips harder against his assaulting fingers, slightly moved back and forth on my chair and tried not to be too obvious.

After a few more minutes of his fingers thrusting inside my pussy, I was about to cum, and was excited by the fact that I had to keep perfectly still. The fact that we could be caught by the waiter or other patrons was such a turn on. My legs tensed and stretched out as I climaxed, my orgasm exploded from my pussy and radiated to my head and finger tips. I panted softly as I came; my hands grabbed the napkins tightly to keep from screaming. His fingers nursed my orgasm until it subsided to gently pulsate and shuddered in my privates.

.....

He brought his fingers up and teasingly sucked his fingers as if he tasted a delicacy before the meal arrived. As I looked at his fingers inside his mouth, I imagined his tongue at my pussy, flicking and rolling my tight bud. Fortunately for me, I came just in time, our entrees now being served. I was flushed, and so I asked for a glass of ice water from the waiter. He asked if I was feeling okay and I replied I was fine, just a little hot. He said he'll be right back with a glass of ice water for me. Before we began to eat our entrees, Jared leaned over and whispered in my ear that he was as hard as a rock. I was drinking wine at the time, and spew the wine out as I tried not to giggle. I coughed into my napkin and smiled at him.

.....

As dinner started, I reached under the tablecloth and unzipped his pants. My hand found his cock and just as he said, it was indeed quite hard. I rubbed and stroked him throughout the entrée. I was playing with his balls as he gave the waiter our desert order. After the waiter departed, I dropped an earring to the floor and knelt down on the floor to search for it. Our position against a corner wall was a blessing as it meant other restaurant patrons would have to look in our direction to see what was going on. As I was on the floor, I quickly crawled under the tablecloth and my hands grabbed his cock again.

I quickly latched onto it with my cock-starved mouth. He jerked in his seat; his legs stretched either side of me as I sucked his cock rapidly. My head bopped up and down, hitting the underside of the table a couple of times. At one point as the entrée plates were being cleared, the waiter asked Jared if the entrées were good. As I heard this, I mischievously sucked his cock harder under the table. His hands then reached down blindly under the table and held my chin, and instead of stopping me, he shoved his hips harder into my mouth; I gobbled him up with pleasure.

My tongue pressed harder against his shaft, massaged his pounding cock. Rolling my tongue around the head delicately, I took his cock deeper until the head nudged at the back of my throat, my hand grasped his shaft and tugged firmly. I was determine to taste his semen before our deserts came.

Alexa

I've only been with a few guys sexually. I'm just not that adventurous, but I am very competitive. So when my college roomie challenged me that I was too conservative to fuck two guys, I almost didn't do it. My competitive nature got the best of me. I loved it and won the bet.
